

Natural Leaders Trainer Academy

Join the 2017-2018 Washington Alliance for Better Schools Natural Leaders Trainer Academy to learn to navigate the US school system, find and share resources in our communities, and to help realize college and career dreams for all children.

The Trainer Experience

Natural Leaders Trainers complete a rich, four-day training that combines 16-hours of professional development and the opportunity to take 20 additional hours of trainings offered during the school year. As a Trainer you will work with school staff, community organizations and business to provide valuable contributions to our school communities by creating a partnership between schools and our immigrant and refugee communities, help school staff to better understand and meet the needs of our families, and provide our families the opportunity to engage and have a voice within their schools.

Program Eligibility & Benefits

- Attend the 2017-2018 Trainer Academy and at least 2 of the 5 five additional professional development trainings offered during the school year.
- Work closely with the School Leads and WABS Mentors to:
 - Discuss how to recruit a diverse team of Natural Leaders in your district with the District Lead and School Leads. Be aware of the district/school action plan in this process.
 - Help recruit parent volunteers and introduce them to the Natural Leaders Program and sign them up for the “New Natural Leaders Training.”
 - Teach the “New Natural Leaders Training” at your district or schools.

Trainers received 16-hours of training and a \$500 stipend.

“After three trainings, I started learning so many techniques to approach other parents and make them feel welcome. One person can make a difference, and that difference can make a significant change for all kids, not just mine.”
