Due to the large number of applications that are received, it is not possible to notify each applicant if their packet is approved. This information may be obtained from your school's office, or by contacting MaryAnn Ballew at the Marysville School District – (360) 965-0000. However, you will be notified if there are any issues with your packet.

Your volunteer clearance will be good for two years from the date of processing your packet with the Washington State Patrol. After two years, another volunteer application packet must be submitted and cleared in order to maintain your volunteer status.

Email, mail or turn in your volunteer form to Maryanne Ballew at the District Service Center (4220 80th Street, NE Marysville, WA 98270) or contact her at maryann_ballew@msd25.org or (360) 965-0000.

Submit your complete application at least 2 weeks before expected volunteer service start date. Your background check must be cleared and application approved before this date.
